

News Flash . . . News Flash

Following a number of years of disappointment, our Club's Schuetzenverein (Shooting Club) again recaptured the traveling Pokal (Trophy) by defeating the Cape Coral club's Schuetzenverein with a score of 1,357 points to Cape Coral's 1,293. Our club's shooters recorded a 90.4 percent score average out of a possible 99 percent total. The shoot held on Sunday, February 27, 2011 at our Club with about 90 in attendance was preceded by a Brunch with a variety of food prepared by both the men and women of our Schuetzen. Following the Shoot, a dinner of Roast Pork with all the fix'ns was prepared by Walter West with the assistance of a number of our club members who volunteered their help in both the kitchen and on the serving line.

Following the dinner a short program was held where the Pokal was officially awarded to our Schuetzenmeister Frank Wloszik. The day ended with music and dancing. that was followed by the traditional waving as their bus departed. . . and they yelling . . "Wait 'til next year!"
