

## ***Special Oktoberfest Happenings***

### **Carnival Rides**

On the far side of the Oktoberfest Grounds (behind the Pavilion) you will find a Carnival Area complete with new rides and games for children and adults alike. The Carnival tradition started with the Oktoberfest in Munich and we are pleased to make it part of our "Original Oktoberfest". Be sure to visit the Carnival while celebrating Oktoberfest with us!

\$20.- Wrist Bands for Unlimited Rides on Saturdays & Sundays between 12 noon and 6:00 pm are available for sale at the Ticket Booth in the Carnival area. The Wrist Band can be purchased each day and used only on that day and during those hours of operations.

### **King Ludwig**

Look for "King Ludwig of Bavaria" who will be on the Grounds. Walking around in his blue military uniform, he is looking to wish you a great Oktoberfest.

### **Cookie the Clown**

Are doing "Face Painting" and "Animal Balloons" in Front of the Clubhouse under the Runway Tent.
